Historical heritage in Megève

15 Guests • 7 Bedrooms • 400 m² / 4305 ft

This special chalet is part of the historical heritage of Megève and situated in the centre of the Village, welcomes you in its new 400 sqm setting combining modernity and authenticity. The chalet harmoniously combines warmth of the old wood, comfort of modernity and beauty of art, visible in every corner. The Chalet covers three floors and its ground floor living area (including living room, bar, kitchen, dining room around the fireplace) opens onto the garden, 800 sqm of peace and quiet with its outdoor spa, a winter and summer pleasure... The first and second floors have seven bedrooms, including two master bedrooms, and can accommodate up to 15 people. A relaxation area with swim spa, hammam, sauna and cinema theatre will offer you rest and comfort after a day on the slopes.
