

## MÉRIBEL-002

From: €67,500/Week

Large and luxurious chalet with a spa on prime location in Meribel

**12 Guests • 6 Bedrooms • 650 m<sup>2</sup> / 6996 ft**

This chalet has been renovated into a luxurious lodge-style chalet, with an enviable position just 50m from the slopes in Méribel, in the very heart of the Trois Vallées, one of the world's best ski areas. Stylishly designed combining alpine chic with understated luxury, the clever layout of this chalet lends itself to either families or a large group. A butler, chef and housekeeping team is on hand during your stay to attend to your every need. They provide a level of personal service to rival the finest hotels in the world. The magnificent underground wine cellar has been built into the mountain rock and is stocked with some of the finest wines in the world from Château Pétrus, Margaux to Château Smith Haut Lafitte.

Access to the slopes couldn't be easier, as the chalet is just 50m from an easy blue piste which takes you down to the bottom of the Rhodos gondola and Saulire Express to whisk you straight up into the Trois Vallées system where over 600km of pistes await. Back at the chalet, a fabulous wellness area beckons, complete with counter-current indoor swimming pool, hamman and relaxation area. After a dip, choose a book from the extensive library, curl up on the sofa with a glass of something in front of the roaring fire and relax, safe in the knowledge that everything will be taken care of. The home cinema room provides kids (and adults) with a ready-made chill out area, where they can sit back and watch films to their hearts content.
