From: €36,000/Week

Refined Luxury in the quaint Meribel-Village

12 Guests • 7 Bedrooms • 500 m² / 5382 ft

This chalet is the ultimate home from home on the slopes. Sumptuously furnished, with excellent facilities, it is conveniently located for the skiing yet is in a secluded location - arguably the most sought after position within the discreet Méribel Village. The focal point of the chalet is the stunning main reception room, whose space cleverly houses a central fireplace, library, sitting room, TV corner and cosy dining area. On the lower ground floor level there is a sauna, games room, gym, cinema room and access to the hot tub.

Spacious interior, homely kitchen, lovely art and antiques

The chalet sleeps up to 14 guests including children; six of the bedrooms are on the upper two floors with bedroom 7 situated on the lower ground floor. The master suite on the first floor, comprising a large bedroom with fireplace, balcony, en-suite bathroom and study / library enjoys un-interrupted views of the valley from its balcony. The remainder of the spacious interior features a homely kitchen, lovely art and antiques, and boasts all the expected modern luxuries; even the outdoor hot tub is formed out of beautiful old stone. Despite its very private location, the chalet is just two minutes' walk from the fast 'Golf' chair lift providing quick access up to the Altiport sector and the slopes of Méribel, Courchevel and Val Thorens. Alternatively, the chalet is a five minute drive in your chauffeured vehicle to the lively heart of Méribel. For most of the season, it is also possible to ski back to the chalet.
