Enchanting property in Val d'Isère dating back to 1632

12 Guests • 6 Bedrooms • 420 m² / 4520 ft

Perfectly positioned in a quiet, picturesque corner of the village, this chalet is just a five-minute stroll from the boutiques, bars and restaurants in the village centre. Lovingly restored over the past years, this enchanting property has been transformed from a cheese farm run by local monks into one of Val d'Isère's finest chalets available to rent. Sleeping up to 12 people in six individually designed bedrooms, the chalet is laid out over three floors. The owners have carefully preserved the original features, including the traditional chapel that nestles in the garden. Inside, clever combinations of old aged stone and exposed beams combined with sumptuous fabrics and furniture have created a beautiful contemporary home whilst maintaining it's rustic charm.

Deluxe Master Bedroom with double height ceilings

The chalet is perfect for groups of friends or families, with all the bedrooms having en-suite shower or bathrooms, and all the beds can be made up as twin's or doubles. The deluxe master bedroom on the top floor has double height ceilings, as well as a stylish seating area with desk and private terrace.

Comfy sofas with luxurious throws and cushions

Entertaining and relaxing is at the heart of this chalet. The large open plan living and dining area boasts a beautiful, stone fireplace surrounded by comfy sofas with luxurious throws and cushions providing the perfect spot to curl up with a good book before dinner. Sophisticated lighting and fabulous modern art creates the perfect setting for socialising with friends or for enjoying an intimate dinner by candle light. For those wishing to break out and enjoy the latest series or movie in peace, retreat to the sumptuous and stylish cinema room. In-

front of the screen sits the large L-shaped sofa, whilst retro leather chairs and a desk area provide more space to relax. For kids, there is a den with faux grass, a climbing wall and snug seating area with TV allowing for endless entertainment.
