The Epitome of Style and Sophistication in Verbier

12 Guests • 6 Bedrooms • 600 m² / 6458 ft

This luxurious family chalet nestles in a private corner of an exclusive enclave in the heights of Verbier, in the Sonalon area. The location affords this property with the most spectacular views perfectly framed in the double height floor to ceiling windows of the living room or the plate glass walls of the spa.

Dedicated driver and vehicle, interior designed Alpine chic

The dedicated driver and vehicle means you are only a five minute drive from the centre of the village and lift stations. The chalet is set out over 4 floors and sleeps up to 12-14 people. There is a self-contained chocolate box Mazot sleeping up to 6 adjoined to the chalet (separate kitchenette and dining area). The chalet has been interior designed throughout and is the height of Alpine chic, with worn leather sofas, distressed antique wood finishes and beautiful alpine detailing.

Private Spa facilities including an indoor swimming pool

The chalet also boasts extensive private Spa facilities. This is finished throughout in Italian marble with views over the valley and mountains beyond. These lavish facilities include an L shaped pool with adjustable floor depth and swimming current (floor can be lowered or raised for children), hammam, indoor and exterior jacuzzi, sauna and bar. Adjacent to the Spa is located a massage room.

Panorama view windows and open fireplaces

The main chalet has an extensive open plan living and dining area with double height windows the view from which will take your breath away. The dining table sits 12 and is open to the kitchen area. Stairs lead to a _____

mezzanine office and then the master bedroom with en-suite marble bathroom and an open fireplace. The further two floors house additional bedrooms and also a cinema room, perfect for entertaining the children while you are enjoying a glass of champagne in the main living room.

Cinema room and an extensive wine cave

The ground floor gives access to the garage and cave where an extensive wine collection is available for purchase by the bottle. This property is sold on a catered basis with private chef, host/housekeeper, cleaners and a dedicated chauffeured vehicle.
