This very charming ski chalet is full of beautiful wooden walls and ceilings to create a wonderful traditional Alpine ambiance.

### **Traditional interior full of charming touches**

The chalet is spread out over four floors and 400m<sup>2</sup> of living space. The traditional interior is full of charming touches and is a beautiful chalet to return to after a day's skiing in Courchevel or further afield into the 3 Valleys. The main living space has double height ceilings that feature a stunning wooden chandelier, which you can admire from the plush sofas and cosy armchairs. The feature wood-burning fireplace creates a cosy atmosphere, especially when enjoying the views out to the surrounding snow-covered mountains.

The chalet comes with a fully equipped modern American style kitchen with an adjoining open plan dining area. The chalet sleeps 10 adults and 2 children in 6 bedrooms, all of which have been beautifully appointed and each come with en-suite facilities. The 6 bedrooms are spread between the chalet's 4 floors, affording flexibility and privacy for different group sizes or 2 or 3 families.

## **Stunning Spa Facilities**

Perhaps the chalet's crowning glory is its stunning spa facilities, with your own dedicated wellness area. After a days skiing, you can unwind in style and rejuvenate tired limbs in either the large hot tub, spacious hammam or under the rain forest shower.
