Legendary Luxury Suite in center of St. Moritz

6 Guests • 3 Bedrooms • 280 m² / 3013 ft

The legendary Hans Badrutt Suite is located on the second floor. The lobby is equipped with an impressive marble floor and all three bedrooms have Italian marble bathrooms.

Master bathroom with steam shower and oval shaped Jacuzzi with stunning views of the lake and the mountains

The master bathroom has a steam shower, an oval shaped Jacuzzi bath with stunning views of the lake and the Engadine mountains. The large salon complete with parquet floor and a baby grand piano offers a wonderful setting for unforgettable evenings. The wood panelled Engadine study, or library, is an ideal hideaway. It also boasts a computer with multi language keyboard system. The suite also offers a large walk-in-wardrobe and a kitchenette.

State of the art technology with a remote and beautiful terrace with stunning views

The state of the art technology includes a 50 inch plasma screen in the salon and electronically operated curtains and lighting, all remote controlled. The exclusive suite terrace is the largest in the Engadine, overlooking the lake with a stunning panoramic view of the mountains and large enough for a private cocktail reception or private event.
