Entering the chalet you are greeted by the spacious living floor. The living room offers plenty of comfortable seating where you can relax after a day on the mountain, watching the skies change through the huge floor to ceiling windows. The stone fire adds a warming ambience to the room and an integrated Bose sound system allows you to set the tone whatever the occasion. Just adjacent is the open plan dining area and kitchen. Complete with comfortable sofas, a fire pit and a fireplace, this is the perfect spot to warm up, stargaze with a hot chocolate or roast marshmallows with the kids. Beyond the terrace is the sunken cedar wood outdoor hot tub, where you can enjoy a long post-ski soak to the backdrop of the expansive views. Finished in beautiful rustic wooden panelling and with alpine-patterned furnishings, these rooms offer a cosy place to re-energise for your next ski day.
