Refined Luxury on prime location in Courchevel 1850

10 Guests • **5** Bedrooms • **270** m² / **2906** ft

Exclusive, luxurious and exceptional, this chalet is located on the very end of the Rue du Nogentil and just a few paces from the Altiport and the Pralong run and without a doubt one of the very best positions in 1850. The simply finished larch wood and open stonework of the rustic facade counters the polished marble and waxed oak floors of the interior. Inside, the chalet is calm, richly furnished and perfectly presented with double height ceilings, a huge open fire, spacious comfortable bedrooms and an outdoor hot tub on the terrace.
