Situated in Courchevel 1850, in the prestigious private hamlet of the “Chalets du Cachemire”, this chalet is directly ski in/ski out on the popular green Bellecôte slope. The property is an ideal holiday address for a family with children with the several living areas and the spa/pool area. The character of the property is undoubtedly one of true Alpine charm with wooden beams, warm fabrics and colors and an elegant finish done by the English owners of the property. This modern alpine chalet underwent a recent €1 million renovation in 2019, increasing the size of the chalet and bringing you four floors of complete luxury. The chalet accommodates ten guests in a sumptuous double master suite, three double bedrooms, a large children’s room which sleeps up to four children in gorgeous cabin bunk beds, and a smaller, windowless 10m<sup>2</sup> double room – perfect for nannies or staff, all with en-suites and/or Jacuzzi’s. Part of the bunk bed room provides a fabulous lounge area with TV, perfect for children to relax and play. The spa features an indoor swimming pool with mood lighting system. A spacious massage treatment room, alongside a compact Hammam and Sauna is perfect for post-ski recovery. A pilates/yoga/stretching/workout area can be found on the mezzanine level above the pool.

Nearly every window in the chalet frames a beautiful panoramic vista. A lovely south facing terrace catches the morning sun and is the perfect place for a breakfast coffee or by evening, unwind with a glass of champagne and a warm blanket to watch the starry skies. The entire top two floors of the chalet were renovated and refurbished in 2019 to provide a spacious open plan, double height living and dining area, complete with new furnishings and a private office at mezzanine level. The new glass enclosed kitchen uses state of the art design ready for your private chef to create magic. After a long day exploring Courchevel, relax by the dual aspect fireplace with your favourite drink while watching your chef at work. The chalet boasts a modern and chic new interior, while maintaining an awe inspiring authentic feel. It is fitted with the latest modern conveniences, WiFi and a comprehensive television, music and entertainment system, connected throughout the chalet.
