

LECH-025

From: €120,000/Week

Graceful architecture and excellent service in Lech

14 Guests • **7** Bedrooms • **1000** m² / **10764** ft

This chalet in Oberlech is the perfect setting for a myriad of amazing experiences. 1,600 metres above sea level in the seclusion of the mountains, it pairs precious tranquility with the charm of a private, luxury chalet. This beautiful property combines the advantages of a top-class luxury hotel with the unconditional privacy of a chalet - spread over 1,000 m² of living space. Seven individually designed bedrooms, including three suites with open fireplaces, are ready to welcome up to 14 guests. Excellent service meets distinguished, understated architecture, exquisite craftsmanship and stunning natural materials.

The feel-good atmosphere of the chalet suites is further enhanced by the private spa with sauna, whirlpool, steam bath, pool and fitness room and also by the elegant lounge and enviable wine cellar with hand-picked rarities from all around the world. Together with his team, the top-notch, private chef de cuisine, will cultivate unforgettable fine dining moments with culinary creations arranged exactly to your wishes - seven days a week. Your local host is there to create a holiday full of unforgettable experiences. From horse-drawn carriage rides to heli-skiing: we make alpine dreams come true in summer as in winter. At a 1,600-metre altitude, every balcony and terrace becomes a personal viewing-platform, and every window becomes a screen on which breathtaking natural wonders play out. Let yourself be swept away by the breathtaking, unspoilt views of the Omeshorn and the alpine world of the Arlberg. The Chalet enjoys an alpine pole position in Oberlech. Located directly within the skiing and hiking areas it offers Ski-in & Ski-out convenience plus all the highlights of Lech Zürs and the Arlberg in the immediate vicinity. The magnificent chalet, is your elegant home right in the middle of the Lech ski resort - one of the most prestigious and renowned ski destinations in the world.
