

CORTINA-002

From: €43,000/Week

Italian Luxury chalet with a harmonious blend of top quality materials

12 Guests • 6 Bedrooms • 900 m² / 9687 ft

This spacious villa is beautifully located in the central area of the exclusive village of beautiful Cortina d'Ampezzo. The traditional feel which characterizes its exterior façades translates into ultra-modern, luxurious décor on the inside. The chalet is arranged over four floors and includes a SPA area with sauna, heated pool, bathrooms and changing rooms. A large-screen, soundproofed private cinema will further enhance the many entertainment possibilities offered within this stunning property. The large living space with a wet bar, sofas and a fireplace, is connected to a dining area and an ultra-modern kitchen with center island, fully equipped with professional appliances and tools. An entire floor is dedicated to a spacious living room with wet bar, a games room, a TV room and an elegant study to welcome guests to the chalet. To top it off, the chalet includes a master bedroom suite with king size bed, 2 walk-in closets, a bathroom with Jacuzzi bath and a fireplace. Each of the four spacious suites, one of which with fireplace, features a double bed, a relaxation area, a bathroom with Jacuzzi bath and power shower and a walk-in closet to provide maximum comfort and exclusivity.
