Colorful Flamboyance Abreast of Lake St. Moritz

6 Guests • 3 Bedrooms • 175 m² / 1883 ft

This Apartment is a treasure-trove of eccentricity as the patterned warmth of an inspired interior balances the enchanting winter wonderland that unfolds outside. The glistening Lake St. Moritz sparkles beneath a majestic mountain-scape, the spacious abode perfectly-situated to absorb this otherworldly backdrop from the first floor of an exclusive luxury development. Just minutes from the front door of this serene setting, the center of St. Moritz awaits: an eclectic array of world-class restaurants, vibrant nightspots, and top-end boutiques to keep the troops enthralled—that is, if energy remains post-days cruising blissful snow-covered peaks.

Swiss Sophistication Celebrates Alpine Perfection

Few dwellings capture the sheer joy of Cotschna, the apartment replete with the finest furnishings sourced from lands afar. Subtle lighting guarantees a welcoming ambiance; the generous glass facades ensure each room punches well above its weight in spaciousness—relish this stately apartment that has a semblance of palatial retreat. The entrance lures guests into an open-plan expanse, a set-up of pure extravagance as extraordinary pattern rests atop extraordinary pattern. Select your soft sofa-spot besides the roaring fire, gaze towards the towering mountains, or pique culinary curiosity in the stunning flush-red kitchen: with a dining table accommodating up to ten, this is the stage for Michelin-level feasting in the world's most lavish resort.

Spacious Rooms Ensure Restful Nights of Slumber

Six guests can spread themselves between three exceptional en-suite bedrooms. The master chamber of mercurial design with its curtained bathtub capturing the best of mountain-side views. Or, draw the drapes for absolute privacy and let the rain shower wash over, a his-and-her double sink ensuring ample amenity in a

tastefully-decorated space. Two further beautiful bedrooms are peaceful retreats in which guests can enjoy the softest of bedspreads. Each room enjoying an en-suite, relish a scorching shower to revitalize post-ski, before venturing into the open-plan residence in expectation of frivolity.

A Terraced Gateway Towards Incredible Peaks

No Alpine abode is complete lest it offers you a balcony from which to admire your sublime surrounds. On the cusp of lake St. Moritz, an extensive veranda invites guests out for an evening's aperitif—stare in awe at the vertiginous couloirs and contemplate your route for the following day. A gentle amble delivers guests to the Chantarella funicular, the state-of-the-art lift waiting to whisk you to the top of the Corviglia ski area where endless mountain trails are at your fingertips.
