Spacious Penthouse in central Verbier

8-12 Guests • **5** Bedrooms • **275** m² / **2960** ft

This is one of Verbier's most luxurious penthouse apartments. Designed by highly renowned local architects, attention to detail is at its finest. Ideally located just a few minutes' walk from the centre of Verbier, however guests still have the added luxury of 24/7 driving service. Sunlight floods through the living room's floor to ceiling double height windows, which open onto a large south facing balcony overlooking the valley. On the balcony, sink into the soft sheepskin covered chairs or enjoy a chilled glass of champagne in the private outdoor hot tub. The 275m² penthouse is equipped with state-of-the-art technology including a Sonos music system linked to every room. The upstairs mezzanine level is a comfy snug with TV and an Apple TV. Each of the five individually designed bedrooms has an eclectic mix of vintage pine and cool contemporary features. With two double bedrooms, two twin rooms and one bunk room the chalet can sleep 10 - 12 people very comfortably. The master bedroom is quite unique with a spacious balcony looking out onto the mountains behind. For children the bunk room has a toy cupboard and DVD player, giving them the perfect hideaway. After a hard day on the slopes, guests can enjoy afternoon tea with freshly baked cake and indulge in the chalet's many luxuries; whether it be soaking in the private hot tub or having a sauna and hammam.
