450m2 Penthouse in the heart of Courchevel 1850

8 Guests • 4 Bedrooms • 450 m² / 4843 ft

Exceptional duplex Penthouse measuring 450sqm and offering: 4 bedrooms, 4 en-suite bathrooms, a 100sqm lounge with fireplace and a fully-equipped kitchen. The decor is a faultless creative blend between a city-like soberness, worthy of a New-York loft, and the charming cosiness of a mountain chalet. The dark wood furniture, minimalistic and uncluttered, the wooden floor made out of long golden slats and the leather padded bedhead combine with thick hangings and plush carpets.
