Elegance and comfort just 80m from the Jardin Alpin piste

10 Guests • 5 Bedrooms • 185 m² / 1991 ft

Elegance and comfort are the hallmarks of this duplex apartment in Courchevel. Traditional furniture, illuminated ceilings and a wooden fireplace, the White Pearl apartment in Courchevel is the typical alpine chalet spirit. This apartment will make you feel on vacation and the change of scenery is guaranteed. Nestled in a rather intimate setting between the trees and only 80 meters from the Jardin Alpin ski slope and the ski lift of the same name, the property is ideally located for skiers, eager to put on skis after the coffee and morning pastries, as well as nature lovers who like calm and more private settings. The apartment is located directly opposite the Les Airelles 5* Palace hotel and very close to the Cheval Blanc 5* Palace hotel, each with great restaurants and buzzing bars. The apartment is available on a self-catered basis, but it is possible to add in additional services such as a chef and in-resort chauffeur service – please enquire for further details.
