Located in the heart of the quiet Chenus district, this chalet offers a breathtaking view of the Courchevel resort and the surrounding valley. The chalet's location gives you easy access to the "Petit Dou" slope, which takes you directly to the snow front. The brand-new chalet offers a soothing ambience, combining refined styling and exceptional materials. Built on 5 floors with an elevator, and facing south, the chalet stands out for its incredible luminosity. Each of the 7 ensuite bedrooms has access to a terrace or balcony, allowing natural light to enhance the elegance of every detail. This elegance reaches its zenith at the top of the chalet, where you'll find the living area, composed of a lounge with a central fireplace, a salon and a dining area that accommodates 14 people with a panoramic view. The bright and spacious chalet also features a dedicated leisure floor with cinema and games room, as well as a fully equipped relaxation area with indoor swimming pool and adjoining lounge, sauna, hammam, indoor Jacuzzi, gym, massage room and bar. These top-of-the-range facilities, worthy of a 5-star hotel, are perfectly complemented by a ski room.
