Spacious 5-bedroom Luxury Chalet with stunning pool

10 Guests • 5 Bedrooms • 630 m² / 6781 ft

This is an impressive luxury chalet offering a unique style with authentic and thoughtful touches throughout. One of the many wow factors is the fabulous indoor swimming pool and spa, with floor to ceiling windows opening to an expansive terrace complete with sunken hot tub. We are proud to have this beautiful chalet in our portfolio. Entering the chalet on the main living floor, you are greeted by a sweeping stone staircase, open fireplace and the welcoming entrance hall which leads through to the beautiful light-filled living room. Huge picture windows welcome the outside in, gifting a sublime vista of Verbier and beyond; the perfect place for you to gather in the evenings to regale the day's events on the mountain. You will be struck by the eclectic art pieces throughout the chalet, giving colour, interest and a story at every turn. The sumptuous master bedroom, occupying the whole top floor, has a private balcony with commanding views, a beautiful marble-clad bathroom plus an indulgent and luxurious style for the perfect night's rest. Moving down through the chalet, four beautiful individual bedrooms are found off a central and spacious hallway, each with gorgeous views and individual style, with direct access to a terrace or balcony. On the very ground floor is the "pièce de resistance" - the stunning indoor swimming pool in a contemporary style, with spacious relaxation zone and spa with beautifully designed hammam. Additionally, you will find a cosy cinema room, wine cellar and piano. With a sought after location in the Savoleyres area of Verbier, located just above the lift station, the chalet enjoys a private and quiet location yet with very quick access to the town centre. There are various outdoor seating and dining spaces too - the perfect mountain retreat.
